- 6. I / We agree and accept the terms of use by NetPay.my.**
  - NetPay is an Internet Payment Solution provided by Interbase Resources Sdn Bhd.
  - Merchant to only offer online for the products and/or services that have been agreed by both parties.
  - NetPay acts as a facilitator to help Merchant accepts payments from Merchant's Customers via Internet.
  - NetPay is not a bank and the service is a payment processing service rather than a banking service.
  - The transaction will be settled in Malaysia Ringgit (MYR) and the member must have a Malaysia's bank account.
  - By receiving payments through the service, Merchant appoints NetPay to cause the amount to be credited on its behalf in the NetPay's banking accounts.
  - NetPay will remit the received payments less any fees agreed between parties (or "Settlement") via online transfer to Merchant's designated approved bank account within 5 working days of each and every succeeding week, provided the settlement amount is more than RM100.00.
  - Merchant is allowed to refund particular transaction to the customer and cancel particular transaction by informing NetPay to do so by making the request via Netpay account inclusive of credit/ debit card, Internet banking and FPX transaction. Additional fee may apply.
  - Merchant is required to refund manually to their customer in the event that the balance in seller's Netpay account is not enough.
  - Merchant to fully responsible on any dispute and/or discrepancy of payment to be found from time to time.
  - If NetPay finds that your transaction(s) is against the Lelong.my's rules and regulations, NetPay has the rights to freeze and delay the fund payment released to the seller until the buyer receives and satisfy with the goods without any disputes, claims, chargeback, or reversal files on that particular transaction.
  - NetPay may terminate Merchant account(s) when using the service to receive payments for:
    - a. Any sexually oriented or obscene materials or services in violation of NetPay's policy
    - b. Pornography & Adult Content (included any Adult subscription service and chat)
    - c. Firearms, Ammunition, High Capacity Magazines, Tasers, Air Guns
    - d. Fireworks or Pyrotechnic Devices or Supplies
    - e. Any narcotics, other controlled substances, steroids or prescription drugs in violation of any laws
    - f. Gambling Transactions
    - g. Pre-Adult Content - Pictures, Videos, etc. of Individuals Under the Age of 18 Years
    - h. Replica, Clone and Name Brand "Knock Off" Products
    - i. Time Sharing and Vacation Membership Card
    - j. Tele-sales / Telemarketing
    - k. Money Laundering
    - l. Pyramid Scheme Program / Multi-level Marketing
    - m. Any related vacation, tour and traveling package
    - n. Any training class / service
    - o. Electronic e-cigarette and accessories
  - If Merchant uses NetPay service in a manner that violates the terms including the categories described above, Merchant's account will be immediate termination.  
Merchant can write in to terminate the account with 30 days prior notice. If the Merchant terminates the account for any reason, Netpay will hold back all funds for 90 days to allow a time window for charge-back (to provide cover for possible charge-backs).

- NetPay will hold 30% of your weekly settlement amount for a period of 1 week time for upgrade your monthly transaction limit once your monthly sales more than RM20000
- Payment will be available for settlement after 7 working days from date update shipment record (\*NetPay settlement day fixed on every Wednesday). Due to that, NetPay merchant are required to update the shipment details for all transactions.

**7. I / we agree to responsible for any disputed amount or chargeback**

- A chargeback occurs when a credit card holder asks their card issuer to remove a charge from their credit card statement.
- NetPay shall not be responsible and liable to merchant in the event a customer disputes the credit card payment transaction.
- When the chargeback filed to the merchant, the merchant may encounter a temporary hold on funds (chargeback amount) in their NetPay account.
- The merchant is required to provide supporting documents such as invoice, proof of delivery, etc. for NetPay to assist merchant to challenge the chargeback with card issuer.
- If the chargeback filed successfully against the merchant, the merchant needs to refund (chargeback amount) to the credit card holder. Otherwise, the payment will be released back to the merchant.
- Merchant is to fully responsible on any dispute and/or discrepancy of payment to be found from time to time.

To All NetPay Merchants,

Good day to you.

Referring to some of the NetPay Merchant's postings, it has come to our attention and several reports made to us by parties which include institution such as banks and payment processing network such as Visa and Master, that some of the NetPay merchants has been selling replica (knock-offs), fake or imitation products/items on Lelong.my.

If you refer to your NetPay Merchant terms and condition (No. 6), you are not allowed to sell these items, and you have agreed so when you applied to be a NetPay merchant.

Banks and Payment processing network has been very strict with these new policies and began to clampdown on some of the merchants. If you are caught, you will be fully responsible for your own actions and you may be charged by law and fined a hefty penalty that is estimated to be US500, 000.

If you are aware you are selling replica (knock-offs) items, we advise you to remove them immediately. If you are not sure if the item you are selling is replica (knock-offs), it is about time you do so by checking with your suppliers, and to learn more about the products you are selling on Lelong.my.

As a NetPay Merchant, you have signed the NetPay Merchant application form previously which you have understood the Terms and Conditions that you will be RESPONSIBLE for what you are selling as a NetPay Merchant and liable for your action if caught or reported to.

As a NetPay Merchant, I/We acknowledge and understood the following:

1. I/We fully responsible for items sold on Lelong.my.
2. The sale of replica items and knock-offs is strictly prohibited, and as a seller, you will be fully responsible for the sale of these items.
3. I/We solely and fully responsible if caught or charged by law for selling replica and knock-offs items.
4. I/We will immediately remove all replicas and knock-offs items from sale.
5. The form should be filling up, sign and attached together with NetPay application. Otherwise the NetPay activation will be delay.

## **Netpay - Payment Solution for Lelong's Merchant**

**Netpay** is payment solution provided by Interbase Resources Sdn Bhd (MSC status), the owner and operator for Lelong.my (Lelong) and Superbuy.my (Superbuy), for our members and partners.

Lelong is the pioneer and No. 1 online marketplace in Malaysia and has been in operations since 1999.

Lelong has been accepting credit card payments from its members since 2000 through Alliance Bank Gateway. We are integrated to the major banks (Maybank2u, CIMBclicks, Hong Leong Bank, Public bank and FPX) for Internet banking.

With our “new” Netpay Payment Solution, we want to assist anyone selling online to be able to receive payment easily and seamlessly. Netpay is based on our existing payment infrastructure and vast experience and expertise in ecommerce, online payment and fraud management over the last 10 years. We believe this will spur ecommerce in Malaysia and an important step to fulfilling the government’s objective for a developed Malaysia.

## **Detailed description of the payment system, including payment flow and settlement arrangements;**

NetPay is an Internet Payment Solution that provides Credit Card and Internet Banking as payment options developed and operated by Interbase Resources Sdn Bhd who runs Lelong.my and Superbuy.my. NetPay is designed for those who are selling products or services online, with or without their own website.

NetPay payment solution is open for merchant who are registered as NetPay member to sell products or services online on their own website. It is not compulsory for buyer or payee to register as NetPay member in order to make payment. However, the website owner must be a registered user.

After purchases have been selected the buyer will proceed to a Checkout page at the Merchant's website. The buyer chooses the payment method preferred. All Internet Banking payments are integrated directly with the bank (Maybank2u, CIMBclicks, Hong Leong, Public Bank and FPX).

NetPay offers seller a secure SSL link between seller, buyer and bank.

After authorization, amount is directly credited into the merchant's NetPay account. A notification is sent to the buyer and seller with the transaction details.

### **Settlement**

**Frequency:** NetPay settlement day fixed on every Wednesday. Payment will be available for settlement after 7 working days from the shipment update date. We will transfer all the released payments before Wednesday and on Wednesday of that week. Due to that, NetPay merchant are required to update the shipment details for all transactions

**Payout method:** The payout will be reimbursed via direct bank transfer into merchant's dedicated bank account. The floating period of such transfer is 1-3 working days, subject to the bank account used by the merchant.

**Settlement Currency:** in Malaysia Ringgit (MYR)

**Place:** in Malaysia.

**Minimum payout:** RM100.00

**\*\* Chargeback:** Merchant to fully responsible on any dispute and/or discrepancy of payment to be found from time to time. If the merchant charge-back level exceeds 1% for consecutive 3 months, the merchant account will be terminated automatically.

\*\* These are subject to change from time to time and may vary from merchant to merchant.

**NetPay's Fee Structure:**

No.		Indicative Fees
1	One Time Set Up Fee	RM1000 <b>(Waived)</b>
2	Annual Fee	RM500 <b>(Waived)</b>
3	Finance Charges <ul style="list-style-type: none"><li>• Internet Banking</li><li>• Credit card</li></ul>	2.0%
4	Minimum Finance charges	RM0.50
